ONE OUT OF MANY

We reprint the following letter from Mrs. David B. Cain of Barnesville, Ohio, as a sample of large number of letters we receive from satisfied customers:

"The Glad season of 1929 is past. My bulbs are dug, cleaned and stored, so I feel I should tell you of the success I had with your Oregon grown bulbs. In the first place the bulbs purchased of you were the finest I received in my planting stock of 5000 bulbs. Everyone clean, high-crowned bulbs. In our local flower show I competed with growers who grow fifty to sixty thousand and came in second in number of points. From the No. 6's I got a splendid bloom, fully 90 per cent blooming. From a No. 3 Mrs. Leon Douglas dug a fine bulb and 71 bulbets. I thank you for the fine bulbs, liberal count and free bulbs."

In ideal digging conditions this year we dug the finest crop we have ever harvested and the cleanest, prettiest bulbs we have ever taken from the ground. We are glad that thousands shared Mrs. Cain's satisfaction last year and thousands more will share it this year from the stock which crams our big warehouse.

A RETURN FROM THIS YEAR'S CROP

Among letters of praise received for our bulbs from this year's crop sent out as Fall shipments we print one below from S. P. Nicholas, Midland, Mich. These bulbs were shipped Mr. Nicholas on December 18 when extreme severe winter weather was being experienced in the Middle West.

"The Gladiolus I recently ordered from you arrived today," wrote Mr. Nicholas, "in perfect condition despite the severe weather. You are to be complimented. The stock is as clean and good as any I have ever received. I am an extensive 'backyard' gardener, growing about 2000 bulbs of some 60 varieties. Please do not fail to mail me your complete 1930 price list as soon as available."

The same sort of Gladiolus satisfaction is assured everyone who purchases from our stock.

SPECIAL OFFER

We are anxious that our customers find how well Nos. 3 and 4 sizes bloom. For this reason we are offering a special garden collection of 250 blubs combinations of Nos. 3 and 4, with the exception of Mrs. Leon Douglas which will be sent entirely in No. 4 size. If you are not familiar with what these sizes will do you will be amazed at results had. We offer the following fine sorts, all especially good for cut flowers, 25 each of the 10 kinds, for \$4.00 prepaid, in combination of Nos. 3 and 4 except Mrs. Douglas as stated. And what Mrs. Douglas will be from No. 4 size will be another revelation. Those offered in this collection are B. L. Smith, lavender; Capt. Boynton, lavender; Crimson Glow, crimson; Giant Nymph, large pink; Golden Swallow, golden yellow; Los Angeles, cut and come again pink; Mrs. Leon Douglas (No. 4); Muriel, light blue; Romance, smoky orange; Rose Ash, ashes of roses. All large flowered but Golden Swallow, a glorified prim, but a wonderful flower for cutting. You will like it too. This collection all for \$4.50 prepaid.

When ordering ask for "Special Garden Collection."

OUR IRIS LIST

Will be issued in Spring in conjunction with our last Gladiolus list for the year. It will go out to those on our regular mailing list or anyone interested enough to send a postal card with name and address.

LONG-SPURRED COLUMBINE (ACQUILEGIA) SEED

Every year when Columbines are in bloom on Jonesmere Farm in Willamette Valley, Oregon, it is a center of attraction for a large number of visitors, many coming from long distances. Miss Mabel S. Creighton, on this farm, has spent years hybridizing and selecting long spurred Columbines until we believe she has a strain unsurpassed in the United States and unequalled by few. We have made arrangements to give our customers an opportunity to plant some of this superior strain of Columbine seed this year with 300 liberal sized packets for distribution at \$1 a packet, post-paid. If interested in unsurpassed long-spurred Columbines we suggest you order early.
